

## Sir Olu Okeowo Donates New Building to CMUL Physical Therapy Program

21.05.2015 16:39:00 |

a Nigerian philanthropist is donating a brand new building to house the Department of Physiotherapy at CMUL

Sir Olu Okeowo, a Nigerian philanthropist is donating a brand new building to house the Department of Physiotherapy at the College of Medicine, University of Lagos. It is on record that Sir Okeowo's donation is the single largest contribution by an individual to the University of Lagos. [Here are some shots from the construction and artistic impression of the building in progress.](#)
